

PERRY'S ®
CHERRY DINER

Announces Our Community Programs

10% Community days

Is your organization or school group looking to raise awareness and money?

Perry's Cherry Diner is committed to building community strength by partnering with local non-profits that provide direct services to our neighborhood. Part of our corporate mission is to be a good neighbor - a shining star  in the neighborhood. With that we have several initiatives designed to help support our Team Members and our community and our schools.

Kids sport groups and the like also encouraged to inquire.

!0% Community Days Example

Your organization/group applies and we agree to work together.

In return for encouraging your group/members to visit the diner on say Mondays for a month or maybe four consecutive weeks of Mondays

Perry's will in turn reward your group with 10% of the gross pretax sales for the agreed to time and dates.

This could be a win win for both your organization and ours.
